June, 2019

Dear Parents/Guardians:

We would like to share important information about the June 2019 Regents exams and transportation schedules. It is important to know that there are no make-up exams for any Regents exams. If a student is absent for a required Regents exam, he/she may take the test in August with the advanced approval from the BHS administrator. *(Please note that not all Regents exams are given in August and those exams might not be administered at BHS.)* Please review the test schedule with your child so that you are certain of the dates and times when s/he is to report to school. Teachers will inform your child of the room/s for the exam/s.

If your child receives extended time for the test please send in a snack. If you child will taking two tests on the same day, please send in lunch and a snack.

**The last day of school for students is 6/17/19. Our Regents exams begin 6/18/19**  
Beginning 6/18/19, your child is only required to come to school if s/he is taking a Regents exam

During exam week, their regular bus will pick up students at their regular morning time. All high school buses will be running on their regular scheduled time. Students should be waiting at their regular bus stop. If students are unsure of the pickup time they can call the transportation office for the information.

The bus will be picking up at the same time it is dropping off.
